The heating equipment in the Christian Centre and the church and the hot water system have been serviced during the holiday at a cost of over £400.

New taps (time controlled) have been fitted in the Gentlemen's Room. A new controller has been fitted on the projection screen in the Christian centre by Maurice

Grass seed has been sown on the bare patch outside the Christian centre doors. Please remind youngsters to keep off it until it has had a chance to sprout and grow.

The Photo board by the Church entrance has been updated. If you notice any errors or inaccuracies, please let Chris know.
